i never could've seen this far
i never could've seen this coming
it feels like my world's falling apart
why is everything so hard?
i don't think that i can deal with the things you said
it just won't go away
in a perfect world
this could never happen
in a perfect world
you'd still be here
and it makes no sense
i can just break up the pieces
but to you this means nothing
nothing at all

i used to think that i was strong
until the day it all went wrong
i think i need a miracle to make it through
yeah...
i wish that i can bring you back
i wish that i can turn back time
cause i can't let go
i just can't find my way
in a perfect world
this could never happen
in a perfect world
you'd still be here

and it makes no sense
i can just break up the pieces
but to you this means nothing
nothing at all

i don't know what i should do now
i don't know where i should go
i'm still here waiting for
i'm lost when you're not around
i need to hold on to you
i just can't let you go
yeah...yeah.

in a perfect world

this could never happen
in a perfect world
you'd still be here
and it makes no sense
i could just break up the pieces
but to you this means nothing
nothing at all
this means nothing
nothing at all
