I woke up it was seven  
I waited til eleven  
Just to figure out that no one would call  
I think I've got alot of friends  
But I don't hear from them  
What's another night all alone  
When your spending everyday on your own  
And here it goes

[Chorus]

I'm just a kid and life is a nightmare  
I'm just a kid I know that it's not fair  
Nobody cares cuz I'm alone and the world is  
Having more fun than me tonight

And maybe when the night is dead  
I'll crawl into my bed  
I'm staring at these four walls again  
I'll try to think about the last time  
I had a good time  
Everyone's got somewhere to go  
And there gonna leave me here on my own  
And here it goes

[Chorus]

I'm just a kid and life is a nightmare  
I'm just a kid I know that it's not fair  
Nobody cares cuz I'm alone and the world is  
Having more fun than me

What the hell is wrong with me  
Don't fit in with anybody  
How did this happen to me  
Wide awake I'm bored and I can't fall asleep  
And every night is the worst night ever

I'm just a kid(repeat)

[Chorus]

I'm just a kid and life is a nightmare  
I'm just a kid I know that it's not fair

Nobody cares cuz I'm alone and the world is  
Nobody wants to be alone in the world  
I'm just a kid and life is a nightmare  
I'm just a kid I know that it's not fair  
Nobody cares cuz I'm alone and the world is  
Nobody wants to be alone in the world  
Nobody cares cuz I'm alone and the world is  
Having more fun than me  
I'm all alone tonight  
Nobody cares tonight Cuz I'm just a kid tonight
