Santa is coming tonight
And I want a car
And I want a life
And I want a first class trip to
Hawaii
I want a lifetime supply
Of Skittles and Slurpees and Eskimo Pies
I want a DVD
A big screen TV
Just bring me things that I don't need

'Cause now it's
Christmas
And I want everything
I just can't wait
Christmas
So don't stop spending
I want a million gifts
That's right
Don't forget my Christmas list tonight
'Cause now it's Christmas

Somebody take me away
Or give me a time machine
That takes me
Straight to midnight
I'll be all right

I want a girl in my bed
Who knows what to do
A Playstation 2
I want a shopping spree
In New York City
Just bring me things that I don't need

'Cause now it's
Christmas
And I want everything
I just can't wait
Christmas
So don't stop spending
I want a million gifts

That's right
Don't forget my Christmas list tonight
'Cause now it's Christmas

I wish I could take this day
And make it last forever
(I wish I could take this day)
And no matter what I get tonight
I want more

It's Christmas
(It's Christmas)
And I want everything
(It's Christmas)
I just can't wait
It's Christmas
(It's Christmas)
And I want everything
Now

Christmas
And I want everything
I just can't wait
Christmas
So don't stop spending
I want a million gifts
That's right
And I can't wait 'til midnight
Don't forget my Christmas list tonight
(Can't wait for Christmas)
'Cause now it's Christmas
(Can't wait for Christmas)
'Cause now it's Christmas
(Can't wait for Christmas)
'Cause now it's Christmas
