Sometimes this house feels like a prison  
That I just can't leave behind  
There's so many rules  
I gotta follow  
Cuz you can't let go

I don't wanna hear it  
And I just can't believe it  
All the stupid things you say, but

One day  
I won't take this anymore  
One day  
I'll be old enough  
To do what I want to  
And I won't have to run away  
And you won't be there to say I'm not allowed to  
One day

Sometimes I wonder if you know me  
Or if you just pretend to care  
So tell me are you  
On a mission to bring me down?

I don't wanna hear it  
And I just can't believe it  
All the stupid things you say, but

One day  
I won't take this anymore

One day  
I'll be old enough  
To do what I want to  
And I won't have to run away  
And you won't be there to say I'm not allowed to  
One day

Go away  
Don't look at me  
Cuz we're not the same  
And you can't do nothing

You can say  
That it's not okay  
But I'm not afraid  
And you can't do nothing

One day  
I won't take this anymore  
One day  
I'll be old enough  
To do what I want to  
And I won't have to run away  
And you won't be there to say I'm not allowed to  
One day

Nanana One day
