Breakdown

I can't take this
I need somewhere to go
I need you
I'm so restless
I don't know what to do

'cause we've had our rough times
Been fighting all night
And now we're just slippin away
So you'll give me this chance
To make the wrongs right, to sayÂ...

Don't, don't, don't walk away
I promise
I won't let you down [you down]
If you take my hand tonight
I promise
We'll be just fine
This time
If you take my hand tonight
If you take my hand tonight

Without you
I go through the motions
Without you
It's just not quite the same
Without you
I don't wanna go out
I just wanted to say

That I'm sick of these fights
I'll let you be right
If it stops you from running away
So just give me this chance
To make the wrongs right
To say

Don't, don't, don't walk away
I promise
I won't let you down [you down]
If you take my hand tonight

I promise
We'll be just fine
This time
If you take my hand tonight

Take my hand
Take my hand [I promise]
Take my hand [I promise]
Take my hand

I promise
I won't let you down [you down]
If you take my hand tonight
I promise
We'll be just fine
This time
If you take my hand tonight
If you take my hand tonight

I won't let you down
So take my hand tonight
