You never told me what you were thinking of,
You only told me it was nothing but love.
You said youd always be my friend
You said youd stay.

Coming with everything I had for you,
Giving all, and get nothing back.
You came, you said youd meet me there.
You said youd stay.

Tell me, Tell me,
Tell me what you want.
You said youd be my friend.
Tell me, Tell me,
Tell me what you want.
I know its not too late.

GO !!!

Coming with everything I had for you,
Giving all I ever had.
Knowing nothing ever really matters,
I know you cared.

Tell me, Tell me,
Tell me what you want.
I know it's not too late
Tell me, Tell me,
Tell me what you want.
I know its not too late.

Yeah, Yeah, YEAH !

Tell me, Tell me,
Tell me what you want.
I know it's not too late
Tell me, Tell me,
Tell me what you want.
I know its not too LATE !!!
