

## Simple Plan "The End"

I've been trying to tell you something  
But you never understand  
I feel like we've been going 'round in circles  
You look at me like I've become  
A stranger on the streets,  
A skeleton that's been hiding in your closet

I see you next to me but still you feel so far away  
Where did we go wrong?  
(Where did we go wrong?)  
I guess this is the part where you look at me  
And say goodbye

Don't, don't let me go  
It's not the end, whoa  
Girl you know it's not so bad  
It's not the end, whoa  
No it's not the end

I've been around the world  
And I've seen so many things  
I can't even tell you where I'm going  
But no matter where I'm heading  
And no matter what I do  
Something keeps me coming back to you

I see you next to me but still you feel so far away  
Where did we go wrong?  
(Where did we go wrong?)  
I guess this is the part where you look at me

And say goodbye

Don't, don't let me go  
It's not the end, whoa  
Girl you know it's not so bad  
It's not the end, whoa  
You know it's not the end  
Don't, don't let me go  
It's not the end, whoa  
Girl you know it's not so bad  
It's not the end, whoa

You know it's not the end

What can I do when you're gone  
When it feels so wrong  
What can I say  
To make you wanna stay  
So what can I do  
Don't leave me this way  
Cause it feels so wrong  
Let's stop all these games  
Cause I just can't say goodbye

Don't, don't let me go  
It's not the end, whoa  
Girl you know it's not so bad  
It's not the end, whoa  
You know it's not the end  
Don't, don't let me go  
It's not the end, whoa  
Girl you know it's not so bad  
It's not the end, whoa  
You know it's not the end
