I want to start by letting you know this  
because of you my life has a purpose  
you helped be who i am today  
I see myself in every word you say  
Sometimes it feels like nobody gets me  
Trapped in a world where everyone hates me  
There's so much that I'm going through  
I wouldn't be here if it wasn't for you

[Chorus]

I was broken  
I was chokin  
I was lost  
This Song saved my life  
I was bleeding stopped believin  
could have died  
This song saved my life  
I was down  
I was drownin  
but it came on just in time  
this song saved my life

sometimes I feel like you've known me forever  
You always know how to make me feel better  
Because of you my dad and me  
are so much closer than we used to be  
You 're my escape when I'm stuck in a small town  
I turn you up whenever I feel down  
you let me know like no one else  
That it's ok to be myself

[Chorus]

I was broken  
I was chokin  
I was lost  
This Song saved my life  
I was bleeding stopped believin  
could have died  
This song saved my life  
I was down  
I was drownin  
but it came on just in time

this song saved my life

You'll never know what it means to me  
that I'm not alone  
That I'll never have to be

[Chorus]

I was broken  
I was chokin  
I was lost  
This Song saved my life  
I was bleeding stopped believin  
could have died  
This song saved my life  
I was down  
I was drownin  
but it came on just in time  
this song saved my life 2x
