I've never been the best at honesty,  
I've made more mistakes than I can even count,  
But things are gonna be so different now,  
You make me wanna turn it all around.

I think of all the games that I have played,  
The unsuspecting people that I've heard,  
Deep inside I know I don't deserve,  
Another chance to finally make it work.

But I'll try, to never disappoint you,  
I'll try, until I get it right,  
I've always been so reckless, all of my life,  
But I'll try,  
For you.

I've been the best at letting people down,  
I've never been the kind of person you can trust,  
But if you can give me half a chance I'll show,  
How much I can fix myself for you.

And I'll try, to never disappoint you,  
I'll try, until I get it right,  
I've always been so reckless, all of my life,  
But I'll try...

This time I wont make up excuses (Cause I don't wanna lose you),  
Don't give up on me and I'll prove that,  
I can do this!

I'll try, to never disappoint you,  
I'll try, until I get it right (till I get it right),  
I've always been so reckless, all of my life,  
But I'll try,  
For you.

(Never been the best at honesty, you know that you can never count on me)  
I'll try for you!  
(But if you give me half a chance I'll show, there is nothing that I wouldn't do for you!)  
I'll try for you!

I've always been so reckless, all of my life,  
But I'll try,  
For you.
