I open my eyes
I try to see but Iâ€™m blinded by the white light
I canâ€™t remember how
I canâ€™t remember why
Iâ€™m lying here tonight

And I canâ€™t stand the pain
And I canâ€™t make it go away
No I canâ€™t stand the pain

How could this happen to me
I made my mistakes
Iâ€™ve got no where to run
The night goes on
As Iâ€™m fading away
Iâ€™m sick of this life
I just wanna scream
How could this happen to me

Everybodyâ€™s screaming
I try to make a sound but no one hears me
Iâ€™m slipping off the edge
Iâ€™m hanging by a thread
I wanna start this over again
So I try to hold onto a time when nothing mattered
And I canâ€™t explain what happened
And I canâ€™t erase the things that Iâ€™ve done
No I canâ€™t

How could this happen to me
I made my mistakes
Iâ€™ve got no where to run
The night goes on
As Iâ€™m fading away
Iâ€™m sick of this life
I just wanna scream
How could this happen to me

I made my mistakes
Iâ€™ve got no where to run
The night goes on
As Iâ€™m fading away

Iâ€™m sick of this life
I just wanna scream
How could this happen to me
