Do you ever feel like breaking down?
Do you ever feel out of place?
Like somehow you just don't belong
And no one understands you?

Do you ever wanna runaway?
Do you lock yourself in your room?
With the radio on turned up so loud
So no one hears you screaming

No you don't know what it's like
When nothing feels all right
You don't know what it's like
To be like me

~Chorus~
To be hurt
To feel lost
To be left out in the dark
To be kicked
When you're down
To feel like you've been pushed around
To be on the edge of breaking down
And no one's there to save you
No you don't know what it's like

Welcome to my life

Do you wanna be somebody else?
Are you sick of feeling so left out?
Are you desperate to find something more?
Before your life is over

Are you stuck inside a world you hate?
Are you sick of everyone around?
With their big fake smiles and stupid lies
While deep inside you're bleeding?

No you don't know what it's like
When nothing feels all right
You don't know what it's like
To be like me

~Chorus~

To be hurt

To feel lost

To be left out in the dark

To be kicked

When you're down

To feel like you've been pushed around

To be on the edge of breaking down

And no one's there to save you

No you don't know what it's like

Welcome to my life

No one ever lied straight to your face

No one ever stabbed you in the back

You might think I'm happy

But I'm not gonna be okay

Everybody always gave you what you wanted

Never had to work, it was always there

You don't know what it's like, what it's like

~Chorus~

To be hurt

To feel lost

To be left out in the dark

To be kicked

When you're down

To feel like you've been pushed around

To be on the edge of breaking down

And no one's there to save you

No you don't know what it's like

~Chorus~

To be hurt

To feel lost

To be left out in the dark

To be kicked

When you're down

To feel like you've been pushed around

To be on the edge of breaking down

And no one's there to save you

No you don't know what it's like

Welcome to my life (x3)
