Can you sleep as the sound hits your ears? One at a time..

Unspoken balance here

Abridged for so many years

That I should stare at receivers, to receive her  
Isn't fair...

Dont Worry I'll Catch you

Dont Worry I'll Catch You

Dont ever worry

Your arms in mine

Anytime

Wouldnt trade anything

Your still my everything

To my surprise

Before my eyes

You arrive.

Dont worry I'll Catch you

Dont worry I'll Catch you

Dont ever worry

Still breaking old

habits habits

You pulled the wool over me

I can see everything, Everything!

Remembering just remember me(?)

Dont worry ill catch you

Dont worry ill catch you

Dont ever worry

No need for reminding

You're still all that matters to me (fade out)
