Maybe  
Im just not good enough for you  
And maybe  
I don't wanna be like you  
And maybe  
I just don't wanna know  
How low you're ready to go  
I'm not gonna change  
You can't make me  
Whoa!

You don't, you don't  
You don't, da-don't  
You don't mean anything to me  
You don't, you don't  
You don't, da-don't  
You don't mean anything to me  
You're what I never wanna be

Tell me  
Does it feel good to be like you?  
And tell me  
Why should I waste my time with you?  
Cuz maybe you always bring me down  
And I'm sick of being pushed around  
Im not gonna change  
You can't make me  
Whoa!

You don't, you don't  
You don't, da-don't  
You don't mean anything to me  
You don't, you don't  
You don't, da-don't  
You don't mean anything to me  
You're what I never wanna be

I know you think you know me  
You don't know anything  
I know you don't wanna help me  
I don't mean anything

Don't tell me where to go  
I don't need you to know  
No-oh  
Whoa!

You don't, you don't  
You don't, da-don't  
You don't mean anything to me  
You don't, you don't  
You don't, da-don't  
You don't mean anything to me  
You don't, you don't  
You don't, da-don't  
You don't mean anything to me  
You don't, you don't  
You don't, da-don't  
You don't mean anything to me  
You're what I never wanna be  
You don't mean anything to me  
You're what I never wanna be
