I've been so many places in my life and time  
I've sung a lot of songs I've made some bad rhymes  
I've acted out my life in stages  
With ten thousand people watching  
But we're alone now and I'm singing this song to you

I know your image of me is what I hope to be  
I've treated you unkindly but darlin' can't you see  
There's no one more important to me  
Baby can't you see through me  
Cause we're alone now and I'm singing this song to you

You taught me precious secrets of the truth withholding  
nothing  
You came out in front when I was hiding  
Now I'm so much better and if my words don't come  
together  
Listen to the melody cause my love is in there hiding

I love you in a place where there's no space or time  
I love you for my life you're a friend of mine  
And when my life is over  
Remember when we were together  
We were alone and I was singing this song to you

We were alone and I was singing this song to you  
We were alone and I was singing this song to you
