I know the desert can't hold all the love
That I feel in my heart for you, yea
If I could spread it out across the sea
I know my love would cork it up

Ain't that a lot of love for one heart to hold

If the bees only knew how sweet you are baby
They would seal up their honeycomb
If the birds could hear how sweet your voice is
They would tighten up the song

Ain't that a lot of love for one heart to hold

Your lips are so sweet, honey, you're my every need
You've got a smile so rare
A love like yours
I just can't compare

Ain't that a lot of love for one heart to hold
Ain't that a lot of love for one heart to hold

If the cook in the kitchen had a touch as hot as yours
They wouldn't need a fire
I can't think of a word that describes you better
Than the sight of her

Ain't that a lot of love for one heart to hold
Ain't that a lot of love for one heart to hold
One heart to hold
Ain't that a lot of love for one heart to hold

Ain't that a lot of love for one heart to hold, ohh
Oh, that's a lot of love
Sure that's a lot of love for one heart to hold
For one heart to hold, oh hold

Ain't that a lot of love
Ain't that a lot of love for one heart to hold
Ain't that a lot of love
Ain't that a lot of love for one heart to hold
