I love you  
I, I  
I love you

If I could make a wish I think, I'd pass  
Can't think of anything I need  
No cigarettes, no sleep, no light, no sound  
Can't think of anything I need

All I need is to think of you  
Is the air that I breathe  
My heart belongs to you  
All I need to love you  
Is the air that I breathe  
I'm just living to love you

All I need is to think of you  
Is the air that I breathe  
My heart belongs to you  
All I need to love you  
Is the air that I breathe  
I'm just living to love you

Peace came upon me and it breathes in me  
Don't sleep, silent angel don't you sleep

All I do is think about you  
Girl, I just can't live without you  
You know, I love you  
All I do is think about you  
Girl, I just can't live without you  
You know, I love you

All I need is to think of you  
Is the air that I breathe  
My heart belongs to you  
All I need to love you  
Is the air that I breathe  
I'm just living to love you

All I need is you  
All I need

I love you

All I need is to think of you  
Is the air that I breathe  
My heart belongs to you  
All I need to love you  
Is the air that I breathe  
I'm just living to love you

Forever  
Forever, yea  
I love you  
Forever  
Forever, yea  
I love you

All I need is to think of you  
Is the air that I breathe  
My heart belongs to you  
All I need to love you  
Is the air that I breathe  
I'm just living to love you
