Blue like a Monday morning

Raised up in a way that I can value
All the material things
That I could ever really need don't matter

So many ways that I can thank you
But you know that I am here
And no one else in this world will matter

'Cause I'm blue, blue like Monday morning
And it's true, it's you that's got me yearning

For a love that will last forever
Wishing that somebody somewhere
Would break through these wrought iron doors and just
smile, smile

Because I'm blue
Because I'm blue, just like you

I can't get emote to try and tell you
All the love that I have
Am I ever gonna make it happen?

So many ways that I can thank you
But you know that I'm here
And no one else in this world's gonna matter

'Cause I'm blue, blue like Monday morning
And it's true, it's you that's got me yearning
'Cause I'm blue, just like you

For a love that will last forever
Wishing that somebody somewhere
Would break through these wrought iron doors and just
smile, smile

Oh yeah, I'm blue, blue like Monday morning
Oh yeah I'm blue, yeah
Because I'm blue, blue like Monday morning

Nobody knows, oh no
Nobody knows, blue like Monday morning
You that's got me yearning, blue like Monday morning

'Cause I'm blue, it's you that's got me yearning
Nobody knows, blue like Monday morning
