The woman I love took to my best friend
Some joker got lucky, took her back again
You better come on in my kitchen
Babe, it's goin' to be raining outdoors

She's gone, I know she won't come back
I've taken the last nickel out of her station sack
You better come on in my kitchen
Babe, it's goin' to be raining outdoors

When a woman gets in trouble everybody throws her
down
Look for her good friend, none can be found
You better come on in my kitchen
Babe, it's goin' to be raining outdoors

You better come on in my kitchen
Babe, it's goin' to be raining outdoors
