You've got that look again  
The one I hoped I had when I was a lad  
Your face is just beaming  
Your smile got me boasting, my pulse roller- coastering  
Any way the four winds that blow  
They're gonna send me sailing home to you  
Or I'll fly with the force of a rainbow  
The dream of gold will be waiting in your eyes

You know I'd do most anything you want  
Hey I, I try to give you everything you need  
I can see that it gets to you  
I don't believe in many things  
But in you I do

Her faith is amazing  
The pain that she goes through contained in  
The hope for you  
Your whole world has changed

The years spent before seem more cloudy  
Than blue  
In many ways your baby's controlling  
When you haven't laid down for days  
For the poor no time to be thinking  
They're too busy finding ways

You know I'd do most anything you want  
Hey I, I try to give you everything you need  
I'll see that it gets to you  
I don't believe in many things  
But in you I do

You know I'd do most anything you want  
Every day I, try to give you everything you  
Need  
We'll always be there for you  
I don't believe in many things  
But in you I do
