How long are we gonna last?
"How long?" Everybody has to ask hey

Freedom to joke
Freedom to hope
Freedom to win
Freedom to be in

How long?
Freedom

How long are we gonna last? Hey, hey
How long are we gonna have to ask? Ooh

Freedom to joke
Freedom to hope
Freedom to win
Freedom to be in

How long? Tell me, tell me, tell me, tell me
Freedom tell me how long?

How long?
Freedom

How long?
Freedom
