I drank a lot  
Spent too much  
Gave a lot, screwed up a lot  
Now good times, you've done me wrong, so wrong

And now I feel that my lifetime is mine  
Happy to drink my wine  
Hangin' here, that girl of mine  
Still, good times, you've done me wrong, so wrong

Remember all the good times  
Remember all the good times  
Remember all the good times  
Remember all the good times

Good times, good times  
Good times, good times  
Remember all the good times  
The good times, the good times

I didn't really love too much  
I never really cared too much  
Good times you've done me wrong  
Now good times, so wrong, yeah

Remember all the good times  
Remember all the good times  
Remember all the good times  
Remember all the good times

Good times, good times  
Good times, good times  
Remember all the good times  
The good times, the good times

Remember all the good times  
Remember all the good times  
Remember all the good times  
Remember all the good times

Good times, good times  
Good times, good times

Remember all the good times  
The good times, the good times
