Ev'ryone is trying to get to the bar  
The name of the bar  
The bar is called heaven  
The band in heaven  
They play my fav'rite song  
They play it once again  
They play it all night long

*[Chorus:]*

Heaven  
Heaven is a place  
A place where nothing  
Nothing ever happens  
Heaven  
Heaven is a place  
A place where nothing  
Nothing ever happens

There is a party, everyone is there  
Everyone will leave at exactly the same time  
It's hard to imagine that nothing at all  
Could be so exciting, could be so much fun

*[Chorus:]*

Heaven  
Heaven is a place  
A place where nothing  
Nothing ever happens  
Heaven  
Heaven is a place  
A place where nothing  
Nothing ever happens

When this kiss is over it will start again  
It will not be any different, it will be exactly the same  
It's hard to imagine that nothing at all  
Could be so exciting, could be so much fun

*[Chorus:]*

Heaven  
Heaven is a place  
A place where nothing  
Nothing ever happens
