What's worth nothing else but love
Take a walk down any street now
Every one of us in our own little world
Looking for a heart with whom to beat now

What's worth nothing else but love I'm prepared to take the heat now What's worth more than anything else at all To keep you firmly on your feet now

So fake cool image should be over 'Cause I long for a feeling of home Real life, depicted in song

A loving memory After long, home is a place where I yearn to belong

Where the land meets the sea She'll be smiling so sweetly now I hope that she'll be here much longer than I will My heart loves her with every beat now

So fake cool image should be over
'Cause I long for a feeling of home
Real life, depicted in song
A loving memory
After long, home is a place where I yearn to belong
