It's only love - it's only love -

Don't be afraid to touch me

babe

girl

let's be real.

There's nothing wrong with the way we're carrying on

So enjoy and live because -

It's only love doing this thing

baby

It's only love that you're feeling.

It's only love doing this thing

baby

It's only love that you're giving.

I wanna stay with you night and day

until the end of time.

It's okay when you lay

lay your body next to mine

because -

It's only love doing this thing

baby

...

I wanna stay you night and day

until the end of time. ...

It's only love doing this thing

baby

...

It's only love doing this thing

baby
