Love the thought

Driving down an endless road  
Taking friends or moving alone  
Pleasure at the fairground on the way  
It's always friends that feel so good  
Let's make amends like all good men should  
Pleasure at the fairground on the way  
Walk around, be free and roam  
There's always someone leaving alone  
Pleasure at the fairground on the way

(chorus:)

And I love the thought of coming home to you  
Even if I know we can't make it  
Yes I love the thought of giving hope to you  
Just a little ray of light shining through

Love can bend and breathe alone  
Until the end it finds you a home  
Don't care what the people may say  
It's always friends that feel so good  
Let's make amends like all good men should

Pleasure at the fairground on the way

(chorus)

I love the thought of coming home to you  
Even if I know we can't make it  
Yes I love the thought of giving hope to you  
Just a little ray of light shining through

Pleasure at the fairground on the way

(chorus)

I love the thought of coming home to you  
Even if I know we can't make it  
Yes I love the thought of giving hope to you  
Just a little ray of light shining through  
Love (love the thought)  
Even if I know we can't make it  
L-I-love the thought
