Tell her try her best just to make it quick
Woman tend to the sick
'Cause there must be something she can do
This heart is broken in two
Tell her it's a case of emergency
There's a patient by the name of Mickey

Night nurse
Only you alone
Can quench this here thirst
My night nurse
Oh God
Oh the pain is getting worse

I don't want to see no doc
I need attendance from my nurse around the clock
'Cause there's no prescription for me
She's the one, the only remedy

My night nurse
Only you alone
Can quench this here thirst
My night nurse
Oh the pain is getting worse
I'm hurt my love

I don't want to see no doc
I need attendance from my nurse around the clock
'Cause there's no prescription for me
She's the one, the only remedy

Night nurse
Only you alone
Can quench this here thirst
My night nurse
Oh the pain is getting worse
I'm hurt my love

And I'm sure no, no doctor can cure

My night nurse
My night nurse

My night nurse
Oh gosh, oh Lord
