Say

Being one of those grains of sand  
I get blown all around the world  
And what I make of it?  
Oh I don't know  
What's the meaning of it?  
Oh I don't know

I've been around so many times  
That the world's turning in my mind  
What do I think of it  
Oh it's so so  
What more can you be  
Than the things they say you've been

Say you love me all around the world  
Stay and hug me all around the world  
Be yours a boy or be mine a girl  
Just say you love me  
Just say you love me

I never ever realized  
It's so easy to make you cry  
But did I break a bit?  
Oh I hope no  
Have you forgot about it?  
Oh I hope so

But you never ever wonder why?  
In every single pair of eyes  
There is a hunger in it  
Or it's soul dies  
What more can you be  
Than the things they say you've been

Say you love me all around the world  
Stay and hug me all around the world  
Be yours a boy or be mine a girl

Say you love me all around the world  
Stay and hug me all around the world

Be yours a boy or be mine a girl  
Just say you love me

Come on now my darling, say you love me  
Oh yeah, say you love me  
Please, please say you love me  
Come on say you love me

Say it, say it baby now, now  
Just say you love me
