I was listening to this conversation  
Noticing my daydream stimulated me more  
I was crumbling with anticipation  
You better send me home before I tumble down to the  
floor

You're so beautiful, but oh so boring  
I'm wondering what am I doing here  
So beautiful, but oh so boring  
I'm wondering if anyone out there really cares  
About the curlers in your hair  
My little golden baby where have all your birds flown  
now

Something's glistening in my imagination  
Motivating something close to breaking the law  
Wait a mo, before you take me down to the station  
I've never known a one who'd make me suicidal before

She was so beautiful, but oh so boring  
I'm wondering what was I doing there  
So beautiful, but oh so boring  
I'm wondering if anyone out there really cares  
About the curlers in your hair  
My little golden baby where have all your birds flown  
now

She was so beautiful, but oh so boring  
I'm wondering what was I doing there  
So beautiful, but oh so boring  
I'm wondering if anyone out there really cares  
About the curlers in your hair  
My little golden baby where have all your birds flown  
now

Does anyone out there really cares?  
Does anyone out there really cares?  
So beautiful, about the curlers in your hair  
She was so beautiful she was so
