Don't know why I still slept on my side of the bed  
The emptiness when you were gone kept ringing in my  
head  
Told myself I really had to move along now  
Stop regretting all the things I left unsaid, yeah yeah

So I tore up your letters  
Took your picture off my wall  
I deleted your number, it was too hard not to call  
Felt a little better, told myself I'd be fine  
Got to live for the good times up ahead, yeah yeah

'Cos everywhere I go  
There's a love song that reminds me of you  
And even though I knew I had to be strong  
I was still not over you  
'Cos I still believe and I could see how there's nothing  
left of you and me  
That time is over  
'Cos I'm so not over you

All my friends try to tell me better find somebody new  
Why waste time being lonely when there's nothing left  
to lose?  
Anything to get you out of my mind  
I'm a fool if I thought I could forget

And I could not forget

'Cos everywhere I go  
There's a love song that reminds me of you  
And even though I knew I had to be strong  
I was still not over you  
'Cos I still believe and I could see there was nothing left  
of you and me  
That time is over  
'Cos I'm so not over you

Now I found a way to keep you there beside me  
To where my love won't be denied  
I can only hope to keep you there and guide me  
There's no more need to hide from all this pain inside

'Cos everywhere I go  
There's a love song that reminds me of you  
And even though I knew I had to be strong  
I was still not over you  
'Cos I still believe and I could see how there's nothing  
left of you and me  
That time is over  
'Cos I'm so not over you

So not over you  
That time is over baby  
'Cos I'm so not over you
