The first time was the best time  
The language you use  
You gotta be careful what you will choose

And the first high was the best high  
You're made of flesh and blood  
Yet it makes you feel like wood  
Oh the first time was the best time

The first line was the best line  
It's hard to learn to beware  
Spending thousands of pounds in a year  
And worthwhile, is it worthwhile?  
Ever wondered why you need more and more  
to reach that sky?  
Oh the first time was the worst time  
And the sky is a gypsy  
Oh, will I die with her with me?

Oh the best time is the worst crime  
Oh the first time, oh may be the worst time  
Oh, worthwhile, is it really worthwhile?

When the sky is a gypsy  
Oh, will I die with her with me?

And the sky is a gypsy  
Will I die with her with me?

Oh no, no, no, no  
The first time  
Maybe the worst time  
Oh no...

Will I die with her with me?
