Turn it up, turn it so loud  
It don't ever stop  
No no no no  
Turn it up, makes me so proud  
I believe in this feeling

Turn it up, turn it so loud  
It don't ever stop  
No no no no  
Turn it up, makes me so proud  
I believe in this feeling

Well you've lost all the things  
That sharing could bring  
Thought you were doing right  
But violence and flames  
And torches and chains are fueling  
These new northern lights

Like prisoners working  
On infertile land  
Took eight years to find out the score  
If you're sick then you're lonely  
Out of work then you're hungry  
The sentence is four years more

Turn it up, turn it so loud  
It don't ever stop  
No no no no  
Turn it up, makes me so proud  
I believe in this feeling

Turn it up, turn it up  
Right up, right up  
Turn it up, turn it up  
Right up, right up

Who says poverty and race  
Can be kept in their place?  
By keeping it all underground  
And ruling the country  
Are unfaithful husbands

Who spank little boys gagged and bound?

There's got to be a better way  
For you and for me  
To turn this hypocrisy 'round  
The growth of a nation  
Cannot be achieved  
By keeping the downtrodden down

Turn it up, turn it so loud  
It don't ever stop  
No no no no  
Turn it up, makes me so proud  
I believe in this feeling

Turn it up, turn it up  
Right up, right up  
Turn it up, turn it up  
Right up, right up

There's got to be a better way  
For you and for me  
To turn this hypocrisy 'round  
The growth of a nation  
Cannot be achieved  
By keeping  
The downtrodden down

Turn it up, turn it so loud  
It don't ever stop  
No no no no  
Turn it up, makes me so proud  
I believe in this feeling

Turn it up, turn it so loud  
It don't ever stop  
No no no no  
Turn it up, makes me so proud  
I believe in this feeling

Turn it up, turn it so loud  
It don't ever stop  
No no no no  
Turn it up, makes me so proud  
I believe in this feeling

Turn it up, turn it so loud  
It don't ever stop  
No no no no  
Turn it up, makes me so proud  
I believe in this feeling
