Wave the old world goodbye
It's time to say hello to the new world
Prayin' and it will be right
That the world may soon see the light

I'll be wavin'
Oh wavin'
And I'll be waitin'

Sure the old folks have tried
But now it's time for us in the new world
Pray that it will be right
That the earth don't turn out the lights

Wave the old world goodbye
It's time to say goodnight to the old world
Let's pray that it will be right
So the world will soon see the light

I'll be wavin'
Oh wavin'
And I'll be waitin'
Oh oh ho ho ho, waitin' this night

It's time to say goodnight to the old world
It's time to say hello to the new world
And wave the old world goodbye

I'll be wavin'
Oh wavin'
And I'll be waitin'
Oh oh ho ho ho, waitin' this night

It's time to say goodnight to the old world
And time to say hello to the new world
And wave the old world goodbye
Tonight
