I wanna look into your eyes again
I wanna look into the windows of your soul, again,
again

Who's to know where time will lead us now?
I can't believe this is happening now
I'm not scared, I'm just wondering how
I wanna see your eyes

All the time we've shared between us now
The feeling I have needs me to make a vow
Now as I leave I must return somehow
'Cause I wanna see your eyes

I wanna look into your eyes again
I wanna look into the windows of your soul, again,
again

When I look at you I fumble, my confidence takes a
tumble
But when I look into your eyes, I just crumble
'Cause I know that it's you that my heart burns for
That it's you that I'm yearning for

Well, I wanna look into your eyes again
I wanna look into the windows of your soul, again,
again

Look into your eyes
Look into your eyes
Look into your eyes
I'm onto your eyes

Who's to know where time will lead us now?
I can't believe this is happening now
Well, I'm not scared, I'm just wondering how
I wanna see your eyes, I wanna make it right

I wanna look into your eyes again
I wanna look into the windows of your soul, again,
again

Look into your eyes
Onto your eyes
Look into your eyes
I'm onto your eyes

Look into your eyes
I'm onto your eyes
I'm onto your eyes
Look into your eyes

Look into your eyes
Look into your eyes
