(Chorus)

Soothe me baby, soothe me

Soothe me with your kindness

For you know your powerful love is

Soothing to me

(Repeat x2)

Wohhh I used to have a lot of girls

I had them big and small

Since I met that baby of mine

I don't know no other girl at all

(Repeat Chorus)

Wohhh how I used to ramble

How I used to roam

Since I found that sweet little thing

All I do is stay at home

(Repeat Chorus twice)
