Everytime I wake up... I feel like shit!  
So functure... so lost without you!  
You fill my needs, you fill my dreams.  
Need my hunger with porture!  
Call me a slave, but give me what I need  
Once more - immortal -  
Call me affictage, call me a fool.  
What life is so worth?  
CanÂ´t be so cruel!

Push the needle inside my skin,  
I promise you I will not scream!  
Fill my veines that's what IÂ´ve missed,  
So let me feel the devil's kiss!

Fill this emptyness I need,  
And let my mind be free from sin!  
Hurry up I cannot wait,  
So pump it up to feel my fate!

Slave...

Slave...

Slave...

Where my veines, sets me a slave.  
Slave to the needle!  
Show no mercy, Show no fear.  
Slave to the needle!  
Straight to the veine,  
Out to my hand.  
Slave to the needle!  
Show no mercy, show no fear.  
I'm a slave to the needle!

I watch you, I need you...  
I want you... I need you!

Where my veines, sets me a slave.  
Slave to the needle!  
Show no mercy, show no fear.  
Slave to the needle!

Straight to my veins,  
Out to my hand.  
Slave to the needle!  
Show no mercy, show no fear.  
I'm a slave to the needle!
