How many times, we've tried to be free  
How many times, we fail

We've build the weapons, of mass destruction  
To destroy/summon nature

Unchained, Released  
Unchained, Released  
Raw Power, raw Force  
We've lost control  
Unchained

Fighting, man against man  
Till everything lies in ruins  
Following leaders, corrupted by power  
One world, one lie

Cold war, nation against nation  
Unweary, what beauty they violate  
They know, what power they possess  
They hold the key, for the ultimate death

War leads to terror, terror leads to war  
War leads to terror, terror leads to war

Unchained, Released  
Unchained, Released  
Raw Power, raw Force  
We've lost control  
Unchained

Unchained, Released  
Unchained, Released  
Raw Power, raw Force  
We've lost control  
Unchained
