Once upon a time there was a harlot
Just one wrong look from a stranger
Who had taken all she could
Beware the angel of death

Finally pushed her straight over the
Edge!
She is evil!
Don't let her fool you
Hear my warning
The bitch is back to show you
What she's made of!
She's known as the mistress of

Mischief
The queen of the damned
Pumps the blood of hate inside her
Rage flows through her veins and
You will be the first of many victims

She has chosen execution style
That she plans to terminate
As the path to meet you fate

Just the beginning
Of terror in the heartland
She is dangerous!
Hearing voices
Sadistic messages from
Satan's minions!

She's known as the mistress of
Mischief
The queen of the damned
Rage flows through her veins and
Pumps the blood of hate inside her
Eyes of violet so hypnotic
Just one taste is deadly!
Just one look is blinding
Her lips have been laced with venom

SOLO 1: Laiho

SOLO 2: Laiho

To her you are a waste of human life
And should not be allowed to live
To satisfy her tainted needs!
Murder is the drug she feeds upon

She's known as the mistress of
The queen of the damned
Mischief
Rage flows through her veins and
Pumps the blood of hate inside her
Eyes of violet so hypnotic
Just one look is blinding
Her lips have been laced with venom
Just one taste is deadly!
