You and me
We used to be together
Every day together
Always
I really feel
Like I'm losing my best friend-kt and laura
I can't believe this could be the end
It looks as though-im seeing u
You're letting go
And if its real well I don't want to know
(Chorus)
Don't speak
I know just what your saying
So please stop explaining
Don't tell me cause it hurts
Don't speak
I know just what your thinking
And I don't need your reasons
Don't tell me cause it hurts
Our memories
They can be inviting
But some are altogether mighty
Frightening
As we die
Both you and I
With my head in my hands I sit and cry
the chorus
Its all ending
You gotta stop pretending
Who we are
(Instrumental)
You and me
I can see us dying
Are we?
(Chorus repeated till fade out)
