I know I may seem fierce  
Maybe I'm scared of what I'd say  
I'm trying to be sincere  
But I keep burning up in flames  
And though I may seem cool  
Inside I'm pounding and it's mad  
To think I'd fall for you  
When you were never in my plans

Don't tell me you don't want it  
Don't tell me no, it's a waste of time  
Don't tell me you don't want this  
Don't tell me now you can't be mine

I'm so used to pretending  
That I forgot who I should be  
So scared to take a chance  
'Cos I'd feel stripped and you would see  
You'd see that I'm defenceless  
And I freak out 'cos I know I'm keen  
You jump in unaware  
And I rip your guts apart at the seams

Don't tell me you don't want it  
Don't tell me no, it's a waste of time  
Don't tell me you don't want this  
Don't tell me now you can't be mine  
And don't tell me  
Please don't tell me

Are you still there for me?  
I've opened up, now I can breathe  
Can we go back to how we were?  
I promise you, I won't leave you hurt  
Are you still there for me?  
I've opened up, now I can breathe  
Can we go back to how we were?  
And I'll show you that I'm worth it...  
I'm worth it, I'm worth it

Don't tell me you don't want it

Don't tell me no, it's a waste of time  
Don't tell me you don't want it  
Don't tell me now you changed your mind  
Don't tell me you don't want it  
Don't tell me no, it's a waste of time  
Don't tell me you don't want it  
Don't tell me now you changed your mind  
And you can't be mine  
Don't you know that I'm worth it, yeah  
I'm worth it, yeah, worth it
