youre jumping for your ladies lip
youre so addicted that you cant get clear
and youre craving but makes you ill
you cant control it its doing your head in
well come on over here
its about time your ass was mine
cant say no not until youve tried it
(chorus)
i cant give tou what you want but i give you what you
need
and i will take it to you
i cant give you what you want but i give you what you
need
you know youre gount to
dont be stupid youre hanging on but you know its
useless
i cant give you what you want but i gine you what you
need

and she a habit you learn to take her lip
and you cant help yourself youve got to scratch that
