For YouÂ...

Do you love me less for I have no hope?
Can I start again to make a better ending?

(Should I have to?)
Should I have to?
(Should I have to?)
Should I have to?
(Chorus)
Can't take this tragedy
(But I'll have to live with this)
But I'll have to live with this
Can't say how I feel
You don't know how I feel

(Repeat verse)

I've been writing on these walls
(I've been writing on these walls)
The words that says if only
(If only I could change)
If only I could change what cannot be undone

(Repeat chorus)
