I wanna see their soul cuz it's calling my name, it's  
calling my name

For everytime,

I wanna see their soul cuz it's calling our name, it's  
calling our name

For everytime.

I wanna be that cold gum on your warm lip. That gum  
on your lip,

Heavenly Smile,

I wanna see your soul, don't let yourself go, don't let  
yourself go,

Hold me tight,

Oh no, I want you back

Hold on, I want you back

I wanna see their soul, it's calling our name, it's calling  
our name,

For everytime,

Don't let yourself go, Don't let yourself go,

Pull the ceilings far as i can't reach it all,

Before you go, smoking calmly my predictions,

Yeah you, you know how you've scored,

Holy Days are gone,

Simplified end.

Oh no, I want you back

Hold on, I want you back
