Oh, tonight began with anything
Shadows, a light, a warm breath and a scream, ah
yeah

Oh, tamper if you like between the doors, oh yeah, ah
ah
Oh, can't expect to go out, to go out with anything,
anything more

Oh, reach the door
A breath and a score
Oh, reach the door
And a nada lada, yeah

Life ain't what it's worth
A breath and a score
Oh, reach the door

All these reaching hands out grabbin' things, grabbin'
me
Day in, day out, accumulating, ah yeah

Whoa, I suggest you step out on your porch
Oh yeah, huh, huh, huh, huh, yeah

Run away my son to see it all
Oh, see the world

Oh, reach the door
A breath and a score
Oh, reach the door
Oh, and a nada lada, yeah

Life ain't what it's worth
A breath and a score
Oh, reach the door

Come, here it comes, there it goes, when it comes
Where it goes, where it comes, can't see through the
faith
Want someone

Ooh, come, here it comes, there it goes, grasp what
you can
Don't you know there's something inside your hand,
yeah

Oh, if I knew where it was I would take you there
There's much more than this, ooh whoa, much more
than this
Oh, see the world
Much more than, oh

Much more than
Why?
