The fallen conscience  
Rivers of blood  
From the fallen  
Too easy to fall victim  
Beyond what you control  
There's so much common ground now  
You are born  
Then die  
Trapped in this place  
Helion  
Monster  
Your final resting place  
And you'll know that I am the hammer  
Face the day and liberate  
For you'll know not the answer  
I've seen your kind before and  
Choose your words  
Waste on enemies  
Helion  
Monster

Your final resting place  
And you'll know  
That I am the hammer  
Face the day and liberate  
For you'll know not the answer  
I am the hammer  
It's so fucking easy to become a victim  
Beyond what you can control  
Hammer  
Save yourself  
That I'll give to you  
Save yourself  
Your final resting place  
And you'll know  
That I am the hammer  
Face the day and liberate  
For you'll know not the answer  
I am the hammer
