The order of this is deterring
I hold the line while you extend this world untold
My character is so unstable
IÂ'm taken prisoner in this line that you once walked
Burning the fire I am walking the line for you
This story is clouded by blacker days
And IÂ'm waiting for you to say
That youÂ'll never be cominÂ' home
ItÂ's always playing on my conscience
I built the walls and let shit suffer with you
And you would say
ThatÂ's inner peace
Take it down
Hold it out

Kill it with your lies
Burning the fire I am walking the line for you
This story is clouded by blacker days
And IÂ'm waiting for you to say
That youÂ'll never be cominÂ' home
My vision
Calls my name
So today I am alive
And the fire is burning out
And just as soon as you arrive
ItÂ'll keep on calling for you
This story is clouded by blacker days
And IÂ'm waiting for you to say
That youÂ'll never be cominÂ' home
My vision
Calls my name
