Turning pages of hours Iâ€™m hoping to be there  
To show you Iâ€™m not alone  
Blood stains on the road that we have traveled  
Much clearer than you believe  
Itâ€™s a crying shame that youâ€™re still here alone  
Breathe it in  
Itâ€™s a colder life than it shines on you  
Breathe it in  
Well this is one world not meant for you  
Sometimes I feel so complicated and frustrated  
Sometimes it makes me die alone Iâ€™m alone

Itâ€™s a crying shame that youâ€™re still here alone  
Breathe it in  
Itâ€™s a colder life than it shines on you  
Breathe it in  
Well this is one world not meant for you  
And I keep holding my shadow over you  
Itâ€™s a crying shame  
A crying shame  
A crying shame  
Breathe it in  
Itâ€™s colder than life it shines on you  
Breathe it in  
Well this is one world not meant for you
