Is it a piece you want  
Or is it peace you want?  
Is this your fatherland?  
Is it the holy land?  
Am I your enemy or best friend to be?  
Will you meet up with me  
Over the weekend?

All they say  
Misconstrue  
Word of war without proof  
Can't you see I'm like you?  
Brave

I will not live in fear  
Even with the bombs in sight  
I will not disappear  
This is the beginning of my life

Is this a holy war or a power war?  
Is this another phase?

Is it the end of days?  
Am I your enemy or best friend to be?  
Will you meet up with me  
Over the weekend?

Precious days of our youth  
Now a war, what's the use?  
Can't you see I'm like you?  
Brave

With all the pain and suffering  
Brought from the choices they make  
How can we close the gap?  
This has got to end  
Another fake democracy fills  
Our children with hate  
What are our choices when it's  
Us or them?
