Burn  
Listen  
There is no other way to compromise  
Leave out the innocence  
I know the answer to  
This fucking question  
Then hold out  
Iâ€™m old enough to feel  
I didnâ€™t think you were  
The last time I checked  
You were still human  
I didnâ€™t know it all seems again  
Twice more this happened  
And smashed alive  
What you believe  
What you foresee  
The road to hell is long and painful  
Let fire and flame take you  
Hold out  
Iâ€™m old enough to feel  
I didnâ€™t think you were  
The last time I checked

You were still human  
I didnâ€™t know it all seems again  
No regrets  
Itâ€™s gone and done  
No regrets  
The damage done  
No regrets  
So seen it all  
No regrets  
Push them away and get to the side  
Itâ€™s the difference to change a life  
Hold out  
Iâ€™m old enough to feel  
I didnâ€™t think you were  
The last time I checked  
You were still human  
I didnâ€™t know it all seems again  
No regrets  
Itâ€™s gone and done

No regrets  
The damage done  
No regrets  
So seen it all  
No regrets
