Hide
Under darkness
It's cause to stay the foe
The limitations were revealing
Now
The curse is gone
No one to save your soul
Kill the dying light
For solace I'll remain
Move out and I'll ride with the passenger
They'll scream for their souls
So what is so important you didn't know
They'll scream
Curse
The enemy and detonate from my side
Hold the weapon to the fucking temple

A sacrifice
Forced and bleeding inside
For solace will remain
For solace I'll remain
Move out and I'll ride with the passenger
They'll scream for their souls
So what is so important you didn't know
They'll scream
Hold the weapon to the fucking temple
Move out and I'll ride with the passenger
They'll scream for their souls
So what is so important you didn't know
They'll scream
