(CHORUS:)

Ooh and it's alright and it's coming on  
We gotta get right back to where we started from  
Love is good, love can be strong  
We gotta get right back to where we started from

Oh oh oh, ooh

Do you remember the day (that sunny day)  
When you first came my way  
I said no one could take your place  
And if you get hurt (if you get hurt)  
By the little things I say  
I can put that smile back on your face

(CHORUS)

Oh oh, ah

A love like ours (a love like ours)  
Can never fade away  
You know it's only just begun  
So you give me your love (give me your love)  
I just can't stay away, no  
I know you are the only one

(CHORUS)

Oh oh oh ooh, ooh ooh ooh

Ooh ooh ooh

You give me your love (give me your love)  
You know I just can't stay away, no  
I know you are my only one

(REPEAT CHORUS TO FADE)
